Dear Sirs:

Subject: Waste Management of Greater Wenatchee, a division of Waste Management of Washington, Inc.(G-237); Tariff # 12

Please find enclosed revised tariff pages 2, 22, 24, 33, 34, 36, 38 and 40 for the above-referenced company. The purpose of these tariff page revisions is to renew the assessment of the Douglas County Collection fee to residential and commercial customers in unincorporated Douglas County. This fee is charged in accordance with Douglas County Solid Waste Collection Fee Ordinance, C.E. 94-014. As shown on the attached letter from Ron Draggoo, Douglas County Solid Waste Program Director, Waste Management's "fair share" portion of the fee for 2011 is \$167,275. This fee is \$1,809 greater than the fee assessed in 2010, however the tons collected in 2010 and the number of customers served in 2010 were lower than 2009. Accordingly, we are proposing that the fee charged to customers be increased 8.2% as reflected in the above revised tariff pages. Due to an internal oversight on our part we did not file these tariff revisions within the 45 day requirement pursuant to WAC 480-70-466. We hereby request LSN treatment of these revised tariff pages, in order that the revised Douglas County Solid Waste Collection Fee may become effective as of April 1, 2011.

In addition to the letter mentioned above, enclosed for your review are our accounting work papers and our request for LSN treatment. Customers will be notified of the change in their fee on their first regularly scheduled billing after the approval of the Commission.

If you have any questions or need additional information, please contact me at (425) 814-7840.

Very truly yours,
