

Avista Corporation
(d.b.a. Avista Utilities)
NOTICE OF TARIFF CHANGE

May 16, 2011
(Electric Service and Natural Gas)

Important Notice for Washington Customers

*Avista proposes 8.7 percent increase in billed electric rates
and 4.0 percent increase in billed natural gas retail rates*

On May 16, 2011, Avista filed with the Washington Utilities and Transportation Commission (Commission) a request to increase electric billed rates to customers by an average of 8.7 percent, or \$38.3 million annually, and natural gas billed rates by an average of 4.0 percent, or \$6.2 million annually.

This filing is a general rate request to recover increased costs associated with operating and maintaining Avista's electric and natural gas systems. In addition to increases in power supply costs, the Company continues to experience increasing costs from additional compliance requirements, and the need to replace aging infrastructure.

The Commission will investigate the Company's filing and can take up to 11 months to issue its ruling. The Commission has the authority to set final rates which may be different from the requested increase(s) based on the results of their investigation.
