(N)

A. GENERAL

1. Ephone service may be subscribed to as an alternative to local exchange access line service (see Sheet No. 102 and following) as a means of receiving service by a circuit directly connecting the central office switching equipment with the customer's premises for communications.
2. Conditions
  - a. The rates set forth below are for a minimum one (1) month period and entitle the customer to unlimited terminating calls within the exchange (including EAS points) without additional charge.
  - b. Applicable taxes levied by federal, state, county and local taxing authorities and surcharge authorized by federal, state and county authorities are added to the rates set forth in this section, except where expressly set forth to the contrary. This includes, but is not limited to the subscriber line charge, 911 charges, TRS, WTAP and USF surcharges.

B. EPHONE LINE RATES

Monthly Rate

\$1.00

Service includes ten (10) minutes of outgoing local calling per month. All local calling (which includes EAS calling) exceeding ten (10) minutes in a calendar month is billed at the rate of \$0.09 per minute.

Long Distance Service Availability: If the customer subscribes to long distance service through the Company's affiliate, all long distance calling will be at \$0.09 per minute. Further information about long distance service offerings are available at [www.hcc.net](http://www.hcc.net). If the customer subscribes to long distance service through another interexchange provider, the customer will be charged the rates as assessed by that provider.
