RE: Docket No. UE-111583 (Advice No. 2011-20)
Substitute Cover Letter – **Do Not Redocket** - Filed Electronically

Dear Mr. Danner:

Puget Sound Energy, Inc. (the “Company”) hereby submits in connection with Docket No. UE-111583, a substitute cover letter to replace the cover letter that accompanied the August 31, 2011 filing under the Company’s Advice No. 2011-20 (Docket No. UE-111583). This substitution is being made in order to correct a typographical error in the original cover letter.

Specifically, the original cover letter states that the Residential and Farm Energy Exchange Benefits will be passed through to customers over a period of eleven months. The substitute cover letter correctly reflects twelve months.

This substitution does not affect the tariff sheet included with the Company’s August 31, 2011 filing. Therefore, substitution should be allowed as provided in WAC 480-80-111(1) (a) and (b).

Please contact Julie Waltari at (425) 456-2945 for additional information about this filing. If you have any other questions please contact me at (425) 462-3495.

Very truly yours,

A handwritten signature in black ink that reads 'Tom DeBoer'.
