RE: Docket UE-111731

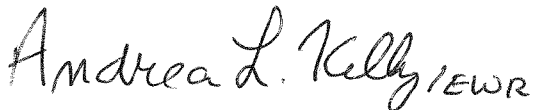

Dear Mr. Danner:

On September 26, 2011, PacifiCorp dba Pacific Power & Light Company (Pacific Power or Company) filed in this docket a proposed tariff sheet to revise Schedule 98 as part of Pacific Power's currently effective Tariff WN-U-75. This schedule provides residential and certain other Pacific Power customers with a direct pass through of monetary benefits received from the Bonneville Power Administration (BPA) under the Residential Exchange Program pursuant to a Residential Exchange Program Settlement Implementation Agreement, Contract No. 11PB-12466, between Pacific Power and BPA.

In the letter, the Company incorrectly cited to WAC 480-100-195(3) for purposes of the noticing requirements in this docket. Commission Staff contacted the Company and requested this letter confirming that the correct citation for noticing requirements related to this proposed tariff change is WAC 480-100-195(2). The Company apologizes for this oversight.

Please feel free to contact me at (503) 813-6043.

Sincerely,

 EWK
