RE: Rabanco Ltd dba Allied Waste Services of Kent – Disposal Increase

Dear Mr. Danner,

Enclosed please find proposed Tariff No. 26 of Rabanco Ltd G-12 (dba Allied Waste Services of Kent, Rabanco Companies, SeaTac Disposal), the purpose of which is as follows:

- 1) Propose new rates to include the impact of the increase in King County's disposal rate per ton from \$95.00 to \$109.00 effective January 1, 2012.
- 2) Reflect new surcharge rates from King County used to fund the Local Hazardous Waste Management Program as outlined in King County Board of Health Code 2.08

If approved by the Commission, the overall revenue requirement increase reflected in this filing would approximate 5.3% or \$135,522 for Commercial and Residential customers. The disposal increase for roll-off customers only impacts pass through disposal revenue, there is no change to haul rates for these customers.

Notification of a rate increase related to the King County disposal fee increase will be included in the first invoice mailed subsequent to WUTC approval of the proposed rates.

If you have any questions please call me at (425) 646-2426.

Sincerely,
