Replacement Pages for UT-120694**

Please find enclosed the following tariff pages:

WN U-3 Section IX Third Revised Sheet 30

The purpose of this **amended** filing is to revise the effective date. The FCC's initial order called for an effective date of July 1, 2012 for the changes to the Company's intrastate access rate reductions. On March 28th, the FCC came out with an Order that granted a waiver of the July 1st effective date for the 2012 annual access filings, including intrastate access filings, while establishing **July 3rd as the effective date for 2012 rate changes.**

Please replace the tariff sheets sent in the original filing (Cover Letter dated May 17, 2012) with the revised sheets enclosed.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kris A. Groth', with a long horizontal flourish extending to the right.
