Island Disposal Inc. has filed a request for a rate increase with the Washington Utilities and Transportation Commission (WUTC). The last general rate increase was approved by the WUTC April 1, 2008. Since that time the Company has experienced increases in operating cost in the areas of labor, employee benefits, fuel, parts and equipment amongst other categories which it now seeks to update in rates.

If approved, the proposed rates will become effective July 2, 2012. The rate per pick-up will increase as follows:
