Dear Mr. Danner:

Pursuant to WAC 480-108-040, Avista hereby submits a copy of the latest executed Net Energy Metering Interconnection Agreement. This agreement is being filed confidentially with the Commission per WAC 480-07-160 as it contains sensitive customer information. Also enclosed for the Commission's convenience is an updated list of the separate net metering contracts that the Company and its customers have executed, incorporating the terms and conditions of the tariff then in effect.

Please direct any questions related to this filing to me at 509.495.8620 or by email at pat.ehrbar@avistacorp.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Patrick Ehrbar", with a long horizontal line extending to the right.
