Re: Fuel Surcharge Request and LSN for Pacific Northwest Transportation Services, Inc. (C-862)

Mr. Danner:

The company requests Commission approval to amend its filed Tariff No. 4 on Less Than Statutory Notice to include a Special Fuel Surcharge Tariff Supplement No. 105 to recover the difference in current cost of fuel and the fuel costs embedded in the filed rates. We respectfully request approval and adoption of the attached "Fuel Surcharge Tariff Supplement" and "Docket A-042090 Fuel Surcharge LSN", with the LSN effective date of: 15 June 2012, to recover the risen cost of fuel.

"AutoTransFuelSurchargeWorkbook June 2012" and "AutoTransFuelSurchargeWorkbook Revenue Percentage Amounts June 2012" also prove the need for this fuel surcharge, based upon gallons-based formula, under Order-05.

The proposed fuel surcharge amount is \$2.50 per one way passenger fare and \$5.00 per round-trip passenger fare. The percentage amount that rates will change if "Special Fuel Surcharge Tariff Supplement No. 105" becomes effective will be as follows:

Supporting documentation from our fuel supplier will follow this filing as "Fuel Purchase History Through 06-04-12".

Sincerely,
