I have enclosed the requested annual report along with the calculated late fees as calculated on the form. We were not aware of any potential \$2100.00 penalty for a late report as the annual report form details only the 2% fee and the 1% per month fee. We respectfully request any additional late fee be forgiven as not appropriate to apply to a \$400.00 tax.

We have had a very difficult year due partly to the economy as well as experiencing two heart attacks and a quadruple bypass operation on myself with an additional operation of installing a defibulator unit in my chest at the beginning of this year. While I could have filed the report timelier, cash flow played a roll in accepting the 2% penalties that I was aware of. Again, I respectfully request the Penalty Assessment be forgiven as not appropriate to the tax or the circumstances.

Thank You,

Ray Tanner
