Subject: Docket # 121184 Rocket Transportation "Withdrawl Letter"

Good morning,

Penny Ingram with the UTC asked me to submit this email to the records department asking for a withdrawl of Docket # 121184 as Rocket Transportation is still gathering data. When we have gathered all of the necessary data we will re-submit our request to the UTC.

Please call me at 360.460.8719 if you have any question or you need more information from me.

Respectfully,

Rafael Roman
