RE: Docket No. UG-121727 (Advice No. 2012-32) - **Do Not Redocket**
Substitute Tariff Filing – Filed Electronically

Dear Mr. Danner:

Puget Sound Energy, Inc. (the “Company” or “PSE”) hereby submits, in connection with Docket No. UG-121727, the following substitute tariff sheet to replace the tariff sheet filed on October 30, 2012, under the Company’s Advice No. 2012-32. This substitute filing is pursuant to RCW 80.28.060 and Chapter 480-80 WAC and includes the following portion of the Company’s WN U-2 tariff for natural gas service.

21th Revision of Sheet No. 101-B - Natural Gas Schedule No. 1, Tax Adjustment (Continued)

The purpose of this filing is to change the sheet revision number in order to respond to Commission Staff’s request to extend the effective date in Docket No. UG-121726 which included the same tariff sheet. The enclosed tariff sheet reflects a change tariff sheet revision number and textual changes that had been made in Docket No. UG-121726 which will occur after this filing becomes effective. Also enclosed is a substitute cover letter for the October 30, 2012 filing which changes the revision number of the tariff sheet from 22 to 21 so that a prior filing (that had been revision number 21) can become effective on December 14.

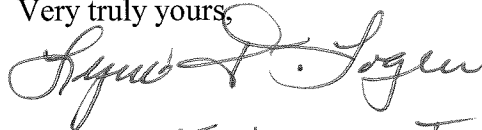

This substitution is provided for in WAC 480-80-111 as it does not contain any changes to terms or conditions already in effect or increase rates. The tariff sheet described herein reflects the original issue date of October 30, 2012, and the original effective date of December 1, 2012.
