Attn: David W. Danner  
Executive Director and Secretary

RE: **Advice No. 12-10 – Schedules of Estimated Avoided Cost and Update to Schedule 37  
– Avoided Cost Purchases from Cogeneration and Small Power Purchases**

Dear Mr. Danner:

Pursuant to RCW 80.28.050 and 80.28.060, WAC 480-107-055 and WAC 480-107-095 and the Washington Utilities and Transportation Commission's (Commission) Rules and Regulations, PacifiCorp d/b/a Pacific Power & Light Company (Company) submits for filing a copy of proposed tariffs applicable to Pacific Power's electric service in the state of Washington. The Company respectfully requests an effective date of February 28, 2013.

Second Revision of Sheet No. 37.2	Schedule 37	Avoided Cost Purchases from Cogeneration and Small Power Production
-----------------------------------	-------------	---

The Company's current avoided cost prices and Schedule 37 became effective on April 13, 2012. Since that time resource requirements, natural gas prices, and market prices have changed, as have the Company's avoided costs. This filing updates the Company's estimated avoided cost prices and Schedule 37 based on the costs that the Company would expect to pay "but for" the Qualifying Facility resource.

Also enclosed is the notice to customers, a summary page of tariff changes and the avoided cost calculation exhibit.

It is respectfully requested that all formal correspondence and Staff requests regarding this filing be addressed to:

By e-mail (preferred): [datarequest@pacificorp.com](mailto:datarequest@pacificorp.com)
