BASIC EXCHANGE SERVICE

LOCAL SERVICE EXCHANGE ACCESS LINE RATES (Continued)

III. EAS – SERVICE to Bremerton and Port Orchard

1. The following service applies to subscribers electing Local Flat Rate Service as defined in I. above. It does not apply to Measured Service as defined in II. above.
2. The customer must choose either Flat EAS or Measured EAS service. If the customer does not make a choice, the Company will assign Measured EAS service to the customer. Either charge applies in addition to the Flat Rate service access line charge.
3. Business Measured EAS Rate Service and Business Flat EAS Rate Service may not be combined on a single premise. Residential Measured EAS Rate Service and Residential Flat EAS Service may be combined and provided to the same customer on a single premise.

|    |                   |                   |
|----|-------------------|-------------------|
|    |                   | <u>Rate</u>       |
|    |                   | <u>Per Month</u>  |
| a. | Flat EAS Rate     | \$10.00           |
|    |                   | <u>Per Minute</u> |
| b. | Measured EAS Rate | \$ 0.08           |

This offering applies only to the Gig Harbor **[1] exchange** for calling to the Port Orchard and Bremerton exchanges. (T)

|     |                          |               |                      |
