RE: Excalibur Limousine LLC

To Whom It May Concern,

I received a notice of penalty stating that I have not sent in my 2012 safety report or filed my 2013 fees. I am requesting a hearing, although I don't believe a hearing will even be necessary as this appears to be more of a paperwork mix-up.

The UTC does have my 2012 Safety Report. I called just a couple of days ago to confirm this.

I am no longer in operation and therefore won't be registering or paying for vehicles as I have none to pay for. The vehicles have all been sold or are for sale.

The confusion may have arisen as, back in December, I worked with Rick Smith to shut the company down. He instructed me to fill out a number of forms and send them in. I did not realize at the time that the forms were all Federal, and not the UTC forms. At the time I assumed Mr. Smith was making notations in my file that I was halting business as of 2012.

About a week into 2013 I received the Safety report and 2013 Regulatory fees. I called in and spoke to Rae Lynn Carnes, explaining I was no longer in business and didn't think I had to send in the Safety Report since I had ended business before 2012 was over. She explained that I did so I sent in the Safety Report section. At the time I still had all my vehicles as the sales had fallen through a couple of times so I told Rae Lynn that I might send in the regulatory fees if I couldn't sell the cars and decided to start the business up. As interest in the vehicles picked up, after listing them nationally, about a week after that I faxed in the Voluntary Cancellation Form.

Again, I won't be doing any business in 2013 or beyond. If that changes I understand that I will have to reapply with the Commission.

Please let me know if you are able to locate the Safety Report and if a hearing is necessary. Also, please be aware that the company number, 206-407-3656, no longer goes to me.

Thanks for your time and good luck in the future,
