**BACKGROUND**

- 1 On April 1, 2013, Waste Control, Inc. dba Waste Control (Waste Control or Company) filed with the Washington Utilities and Transportation Commission (Commission) a petition requesting an extension of time to file its 2012 annual report as required by WAC 480-70-071. According to Waste Control, it is unable to prepare the annual report due to an ongoing review of the company’s financial information being conducted by an outside CPA firm. Waste Control feels that an extension of time to file would allow the company to file a more accurate annual report by allowing the company to include any adjustments suggested during the CPA review process. Waste Control seeks an extension until June 1, 2013.
  
- 2 Commission Staff reviewed the request and recommended granting Waste Control’s request for exemption.

**FINDINGS AND CONCLUSIONS**

- 3 (1) The Washington Utilities and Transportation Commission is an agency of the State of Washington vested by statute with the authority to regulate the rates, rules, regulations, practices, accounts and affiliated interests of public service companies, including solid waste companies. RCW 80.01.040, RCW 81.01, RCW 81.04, RCW 81.16, RCW 81.28 and RCW 81.77.
  
- 4 (2) Waste Control is a solid waste company and a public service company subject to Commission jurisdiction.

- 5 (3) Waste Control is subject to WAC 480-70-071, which requires solid waste companies to file an annual report by May 1 of each year.
- 6 (4) Under WAC 480-70-071 (1)(c), the Commission may grant an extension of time allowing the Company to file its annual report after the May 1 due date if the Commission receives a request for extension before May 1.
- 7 (5) This matter came before the Commission at its regularly scheduled meeting on April 11, 2013.
- 8 (6) After review of the petition filed in Docket TG-130474 by Waste Control on April 1, 2013, and giving due consideration, the Commission finds that the exemption is in the public interest and is consistent with the purposes underlying the regulation and applicable statutes and should be granted.
