Re: Pioneer Telephone Company - Section XI - Second Revised Sheet No. 3
Canceling First Revised Sheet No. 3; Section XI - First Revised Sheet No. 3.44
Canceling Original Sheet No. 3.44

Dear Mr. King:

Attached you will find the above-referenced Tariff Sheets. The purpose of this filing is to clarify that the company-specific terminating access rates for Switched Access Service no longer apply. Instead, the WECA Tariff WN U-2 adoption by reference of the NECA Tariff F.C.C. No. 4 and NECA Tariff F.C.C. No. 5 means that the applicable provisions of those tariffs will control.

The result of these changes is that the company is adopting the rate structure and rates for terminating Switched Access Service that exist on the interstate level for intrastate purposes. In addition, the company is adopting the Direct Trunked Transport rate structure and rates for both originating and terminating service that exist on the interstate level for intrastate purposes.

This filing is intended to meet the Federal Communications Commission's requirements in its Report and Order and Further Notice of Proposed Rulemaking, FCC 11-161 (rel. Nov. 18, 2011)(*USF/ICC Transformation Order*) and as contained in 47 C.F.R. § 51.909.

Mr. Filan has authority to sign tariff sheets for Pioneer Telephone Company. The undersigned has authority to file said sheets on behalf of Pioneer Telephone Company.
