RE: Tariff Submittal, Tariff Number 13, Empire Disposal, Inc. G-75. Filing Pursuant to WAC 480-70-462(1).

Dear Mr. King:

Our company has been notified that as of July 1, 2013 the tipping fee at the Whitman County Transfer Station will be reduced from \$103.00 to \$98.00 per ton, a 4.85% decrease. We project this will decrease revenue and expense for residential service by \$14,772 and commercial service by \$15,026, for a 12-month period, for customers residing within Whitman County. Drop box service is projected to decrease by \$3,140 for a 12-month period. The last general rate increase approved by the Commission was effective November 1, 2010.

Attached are revised tariff pages and supporting documentation containing the revised rates. If these rates are approved by the Washington Utilities and Transportation Commission they will become effective July 1, 2013. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of the change on the first billing reflecting the revision to rates.
