

Stanley's Sanitary Service

July 3, 2013

Secretary
Washington Utilities & Transportation Commission
P O Box 47250
Olympia, WA 98504-7250

Dear Sirs:

This filing is submitted by Fred W. and Crystal L. Stanley, Managers, for Stanley's Sanitary Service, LLC dba Stanley's Sanitary Service G-86.

The filing proposes a general rate increase to be effective September 1, 2013. The increase is necessary to offset increased general operating expenses and significant increases in Workman's Comp, employee wages, employee welfare, fuel and insurance expense and to offset the revenue loss resulting from commercial business closures. These rates would increase our revenues by approximately 9% (\$36,255) and increase customer charges by 12%.

As required by the Commission rules, a copy of this transmittal letter will be mailed to the Wahkiakum County Commissioners and to the Mayor of the Town of Cathlamet. We will be mailing customer notices on July 25, 2013. A copy of the proposed notice is included with this filing for your approval.

If you have questions regarding this filing, please contact me at 360-560-1145 (cell), 360-849-4262 (home) or office message phone 360-795-3369. My email is stanleyssanitary@centurytel.net.
