Subject: Avista's 2014 Natural Gas IRP Technical Advisory Committee Meetings

A tentative schedule has been set for the 2014 Natural Gas IRP Technical Advisory Committee (TAC) meetings. With many of our peers IRP's in process, we have tried to coordinate meetings in order to consolidate travel for those of you who wish to participate in person. We value your participation and hope you are able to attend in person; however we will offer web based access for those of you who are unable to travel. Presentation materials will be distributed prior to each meeting. Information will also be posted on our website (<http://www.avistautilities.com/inside/resources/IRP/pages/default.aspx>).

Date	Location/Time	Topics
Friday January 24, 2014	Portland, OR <i>Northwest Natural Offices</i> 10 AM – 3 PM	Economic drivers, demand forecast, demand side management
Tuesday February 25, 2014	Portland, OR <i>Northwest Natural Offices</i> 10 AM – 3 PM	Existing infrastructure, supply side resources, natural gas prices
Wednesday March 26, 2014	Coeur D'Alene, ID <i>Coeur D'Alene Resort</i> 10 AM – 3 PM	Scenario analysis and preliminary results
Wednesday April 23, 2014	Spokane, WA <i>Avista HQ</i> 10 AM – 3 PM	Final results and draft document discussion

Note: These dates and subject matter covered are subject to change.

Please let me know if you no longer wish to be on the TAC distribution, need to have someone added, and/or have questions or comments.

Thank you again for your past and future participation.
