Re: H&R Waterworks, Inc. - Original Sheet No. 18.8; Original Sheet No. 18.9

Dear Mr. King:

Attached are the original above-referenced tariff sheets. The purpose of the filing is to add the Walczak Water System and the Whiskey Hollow Water System to the Company's tariff. The Company recently acquired the Walczak Water System which was an unregulated water system operating in King County and the Whiskey Hollow Water System which was an unregulated water system operating in Pierce County.

Customers and the Department of Health have been notified of the transactions by the sellers. In addition, the Company has sent the customers a welcoming letter explaining Company operations.

Pursuant to WAC 480-80-123, this is a new service that is being added to the Company's tariff. Therefore, it is being filed on one day notice.

Thank you for your attention to this matter.

Sincerely,

RICHARD A. FINNIGAN
