**Re: UG-132102 (Advice No. 2013-29) – Do Not Redocket  
Substitute Natural Gas Tariff Filing - Filed Electronically**

Dear Mr. King:

Pursuant to RCW 80.28.060 and Chapter 480-80 WAC, Puget Sound Energy, Inc. (“PSE”) hereby submits in connection with Docket No. UG-132102, the following substitute tariff sheet to replace the tariff sheet filed on November 14, 2013, under PSE’s Advice No. 2013-29.

**WN U-2 Natural Gas Service:**

Sixth Revision of Sheet No. 104 - Miscellaneous Charges

The purpose of this substitute filing is to reinstate the reference of equipment rental service in the Purpose and Applicability section. The provision of equipment rental service was deleted in error when updating the format of the existing tariff sheet. The purpose of PSE’s Advice No. 2013-29 is not to make any service change but to propose the trip charge of \$72.

This substitution is provided for in WAC 480-80-111(c) as it is being made to address a typographical error. In addition, there is no change to the rate in the pending tariff sheet. The tariff sheet described herein reflects the original issue date of November 14, 2013, and the original effective date of January 1, 2014.

Please contact Mei Cass at (425) 462-3800 for additional information about this filing. If you have any other questions, please contact me at (425) 456-2110.

Sincerely,

for
