RE: Tariff Submittal, Tariff Number 9.3, Harold LeMay Enterprises, Inc. d/b/a City Sanitary, Joe's Refuse, White Pass Garbage, Certificate Number G-98.

Dear Mr. King:

Our company has been notified that the tipping fee in Lewis County will increase from \$82.00 to \$90.00 per ton a 9.756% increase, effective February 1, 2014. We project this will increase revenue and expense for residential service by \$57,590; for commercial service by \$56,842; and drop box service by \$37,683 for a 12-month period. There are 10,139 residential, 1,515 commercial and 37 drop box customers affected by this change. The last general rate increase approved by the Commission was effective November 1, 2010.

Attached are revised tariff pages and supporting documentation containing the revised rates. If these rates are approved by the Washington Utilities and Transportation Commission they will become effective February 1, 2014. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of the change on the first billing reflecting the revision to rates.

We also request that the Commission, on its own Motion under WAC 480-07-370 (b), allow this disposal fee filing as an exception to the general rate case workpaper rule at WAC 480-07-520.

If you have any questions regarding this filing, please contact me at (360) 832-8749 or via email at irmgardw@wcnx.org.

Sincerely,

Irmgard R Wilcox
