RE: Preliminary Draft Plan Review, Wahkiakum County Comprehensive Solid Waste Management Plan, 2014

Dear Mr. King:

Wahkiakum County has submitted a Comprehensive Solid Waste Management Plan for review under Chapter 70.95 RCW to both the Washington State Department of Ecology (Ecology) and the Washington State Utilities and Transportation Commission. Ecology received this plan March 11, 2014. Because Wahkiakum County submitted this plan and supporting documents directly to your agency and we have confirmed your receipt, please accept this letter as a request for review.

Please forward any comments to me once you have completed your 45 day review period. Ecology's 120 day draft review period expires on July 8, 2014. Thank you for your continued cooperation and assistance in the review of solid waste management plans.

If you have any questions, please contact me at 360-407-6471 or Julie.Robertson@ecy.wa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Julie Robertson".
