Dear Sirs:

Subject: Waste Management of Greater Wenatchee, a division of Waste Management of Washington, Inc.(G-237); Tariff # 13

Please find enclosed revised tariff pages Title page, 2, 22, 23, 30, 32, 33, 35, 37 and 39 for the above-referenced company. The purpose of these tariff page revisions is to renew the assessment of the Douglas County Collection fee to residential and commercial customers in unincorporated Douglas County. This fee is charged in accordance with Douglas County Solid Waste Collection Fee Ordinance, C.E. 94-014. As shown on the attached letter from the Countywide Solid Waste Programs of Douglas County (DCSWPD), Waste Management's "fair share" portion of the fee for 2014 is \$169,185. This fee is only \$778 (.4%) lower than the fee assessed in 2013. Due to the insignificance of the change in this fee, the effect on the rates charged to customers would be negligible. Accordingly, these revised tariff pages reflect only a change in the expiration date of the fee. The proposed effective date of the renewal of this fee is April 1, 2014 and the expiration date is March 31, 2015.

Enclosed for your review is the letter from the DCSWPD that establishes the fee for 2014. In addition, enclosed for your consideration is a request for LSN treatment of these tariff revisions so that these revised pages may become effective as of April 1, 2014.

If you have any questions or need additional information, please contact me at (425) 814-7840.

Very truly yours,
