

**BEFORE THE
Washington Utilities and Transportation Commission**

IN RE:)
Application of) Docket No. _____
RCLEC, Inc.)
To Provide Telecommunications Services)
within the State of Washington)

**REQUEST FOR CONFIDENTIALTY OF
FINANCIAL STATEMENTS OF RCLEC, INC.**

1. RCLEC, Inc. ("RCLEC") through its undersigned counsel and pursuant to WAC 480-07-160, respectfully requests that the Commission grant protection from public disclosure and afford confidential treatment to its financial statements and other evidence of financing (collectively, "Financial Statements"), included with its Registration and Competitive Classification of Telecommunication Companies application. RCLEC requests that the Commission afford the highest level of protective treatment to its Financial Statements and that they be made available only to the Commission.
2. *The Financial Statements* sets forth the details of the Company's funding and recent income and balance sheet statements. The information contained in the *financial statements* is competitively sensitive, proprietary, and confidential. The details of the RCLEC's financials are not known to RCLEC's competitors, and this type of information is not ordinarily disclosed in the industry.
3. RCLEC is a privately held corporation, and accordingly is not required to make public disclosure of its financial statements.
4. Disclosure would have adverse competitive consequences for RCLEC. Absent protection from disclosure, RCLEC's competitors would have access to sensitive financial data and proprietary information. Because RCLEC is operating in a highly competitive market, public availability of this information will disadvantage RCLEC to the benefit of its competitors. Release of this information to the public would cause unfair economic damage and substantially harm RCLEC's ability to compete in the marketplace.

5. Protecting these Financial Statements from disclosure would not affect the public interest. Protecting the Financial Statements from disclosure in no way restricts interested parties from having access to the administrative hearing process. Furthermore, the harm that would result from disclosure of this information far outweighs the public interest in the details of the transaction set forth in the Financial Statements.

6. Accordingly, and for the foregoing reasons, RCLEC, Inc. respectfully requests that the Commission afford confidential treatment of the Company's financial statements.

Respectfully submitted.
