**BACKGROUND**

- 1      On April 21, 2014, Telecommunications Communications Services, Inc. (Telecommunications Communications or Company), filed with the Washington Utilities and Transportation Commission (Commission) a petition for an extension of time to file its annual report for 2013 as required by WAC 480-120-382. According to Telecommunications Communications, year-end financial statements will not be finalized and approved by the due date. Telecommunications Communications seeks an extension until July 1, 2014. The Company paid its annual regulatory fee on April 28, 2014.
- 2      Commission Staff reviewed the request and recommends granting Communications’ request for exemption.

**FINDINGS AND CONCLUSIONS**

- 3      (1)    The Washington Utilities and Transportation Commission is an agency of the State of Washington vested by statute with the authority to regulate public service companies, including competitively classified telecommunications companies. RCW 80.01.040, RCW 80.04 and RCW 80.36.
- 4      (2)    Telecommunications Communications is a competitively classified telecommunications company and a public service company subject to Commission jurisdiction.

- 5 (3) Telecommunications Communications is subject to WAC 480-120-382, which  
requires competitively classified telecommunications companies to file an annual  
report no later than May 1 of each year.
- 6 (4) Under WAC 480-120-015, the Commission may grant an exemption from any rule in  
WAC 480-120, if consistent with the public interest, the purposes underlying  
regulation and applicable statutes. See also WAC 480-07-110.
- 7 (5) This matter came before the Commission at its regularly scheduled meeting on  
May 8, 2014.
- 8 (6) After review of the petition in Docket UT-140673 by Telecommunications  
Communications filed on April 21, 2014, and giving due consideration, the  
Commission finds that the exemption is in the public interest and is consistent with  
the purposes underlying the regulation and applicable statutes and should be granted.

**THE COMMISSION ORDERS:**

- 9 (1) The request by Telecommunications Communications Services, Inc., for an  
exemption from WAC 480-120-382 and for an extension until July 1, 2014, to file its  
2013 annual report is granted.
- 10 (2) Failure by Telecommunications Communications Services, Inc., to file its annual  
report by July 1, 2014, may result in the Commission invoking RCW 80.04.405,  
which allows the Commission to assess penalties for violations of statute, rules  
and Commission orders.
- 11 (3) The Commission retains jurisdiction over the subject matter and Telecommunications  
Communications Services, Inc., to effectuate the provisions of this Order.

The Commissioners, having determined this Order to be consistent with the public interest,  
directed the Secretary to enter this Order.

DATED at Olympia, Washington, and effective May 8, 2014.
