Re: Penalty Assessment UT-140875

To Whom It May Concern,

We are in receipt of the notice of penalties referenced above. We feel that a mitigation of the penalty is warranted. The annual report form and full payment of the regulatory fee were mailed on April 29<sup>th</sup>. The requirement of attaching financial statements was overlooked. We did correct the deficiency when notified by the commission by mailing the missing financial statements on May 15<sup>th</sup>. It is my understanding that we were in compliance with all requirements once those statements were received by the commission.

Thank you for your time and consideration and if you have any questions, please feel free to contact me at 248.556.4525.

Kindest Regards,

According to Washington Utilities and Transportation Commission (Commission) records, you have violated Washington Administrative Code (WAC) 480-120-382, which requires telecommunications companies to file their annual reports and pay regulatory fees each year by May 1. You did not file an annual report or pay regulatory fees by May 1, 2014.

Revised Code of Washington (RCW) 80.04.080 authorizes the Commission to assess penalties of \$100 for violations of Commission rules. Each violation is a separate and distinct offense and, in the case of a continuing violation, every day's continuance is a separate and distinct violation. The Commission interprets noncompliance with WAC 480-120-382 beyond May 1 as a continuing violation, and assesses penalties of \$100 for each day a company fails to file its report or pay its regulatory fees after that date.

As a result, the Commission has assessed penalties against you in the amount of \$1,000 on the following basis:

On February 28, 2014, the Commission mailed the 2013 annual report forms and the 2014 regulatory fee packets to all telecommunications companies registered in Washington. The instructions page for the annual report form instructed these companies to file annual reports and pay regulatory fees by May 1, 2014. The instructions page also stated that failure to file the annual report by May 1 would result in penalties. The deadline for requesting an extension to file your annual report was April 17. You did not request an extension.

As of May 15, 2014, Clear Rate Communications, Inc. has not filed its complete 2013 annual report. May 15 is 10 business days from May 1, resulting in a total penalty of \$1,000.

Your penalty is due and payable now. If you believe the violation did not occur, you may request a hearing to contest the penalty assessment. The Commission will grant that request only if material issues of law or fact require consideration of evidence and resolution in a hearing. A request for a hearing must include a written statement of the reasons supporting that request.

Failure to provide such a statement will result in denial of the request. If there is a reason for the violation that you think should excuse or reduce the penalty, you may ask for mitigation (reduction) of this penalty through evidence presented at a hearing or in writing. A request for mitigation must include a written statement of the reasons supporting that request. Failure to provide such a statement will result in denial of the request. See RCW80.04.405.

If you properly present your request for a hearing and the Commission grants that request, the Commission will review the evidence supporting your dispute of the violation or application for mitigation in a Brief Adjudicative Proceeding, before an administrative law judge. The administrative law judge will consider the evidence and will notify you of his or her decision.

**You must act within 15 days after receiving this notice** to do one of the following:

- Pay the amount due.
- Request a hearing to contest the occurrence of the violations.
- Request mitigation to contest the amount of the penalty.

Please indicate your selection on the enclosed form and send it to the Washington Utilities and Transportation Commission, Post Office Box 47250, Olympia, Washington 98504-7250, **within FIFTEEN (15) days** after you receive this notice.

**If you do not act within 15 days**, the Commission may refer this matter to the Office of the Attorney General for collection, which may file suit in state court to collect the penalty. The Commission may also initiate proceedings under WAC 480-121-060 to revoke your authority to provide telecommunications services in Washington.

DATED at Olympia, Washington, and effective May 29, 2014.

Administrative Law Judge
