Subject: Annual Report for 2013

Back on May 5. I requested to speak to Amy in regards to the packet that I received there was requesting a lot information that was not pertinent to my business and she informed me to just fill out the basics and e-mail it to her,

As I was speaking with her she gave me a e-mail address and there was a mistake made as you see on the documents on May 5 we sent these documents to Amy in your department Washington utilities and transportation I used an e-mail address **adraws@utc.wa.gov**

so at this time on May 5 I knew that my annual report was sent, there was no sign of it not getting to its proper destination.

I had not received any information that you did not receive these documents until May 29, 2014 by mail

I was unaware of our annual report not being received by your department.

Upon receiving this notice. I contacted Amy at Washington utilities and transportation upon this time she corrected me on the e-mail address and explained the correction of the e-mail address

she gave me the new e-mail address and I sent it and she received it and went through the correction on the e-mail address was **aandrews@utc.wa.gov**

Due to the mistake on the e-mail address you did not get to your department in the allotted time due to this mistake I do not feel that there is a penalty to be enforced

I was not informed that you did not receive these documents until I received a notice in the mail

If needed, can acquire phone documents for that date.

Exhibit A I have sent a copy of my annual report that was sent on May 5 to the wrong e-mail address

Exhibit B a copy of my e-mail sent with attachments and date.

Exhibit C cut-and-paste of mine e-mail sent showing that day and e-mail address.
