**SCHEDULE NO. 4**  
**READY TO SERVE SERVICE**

**Available**

Within the limits of all Washington Water Service Company Water Service Areas and at Utility's option and capability to maintain Department of Health standards of quantity and quality.

**Applicable**

To any property owner who has completed and signed a Water Service Application, Certificate of Water Availability, and paid all applicable fees required for the Utility to commit service to a meter service connection. Applicable to domestic residential customers, where meters have not yet been installed.

**Conditions**

The charge for this service is not subject to cancelation or reduction for seasonal or temporary periods, unless seasonal rates apply per this tariff. This charge will be the monthly minimum bill for this class of service. At the time water service begins, the customer shall be converted to the metered rates on **Schedule No. 2**. Charge and commitment is limited to 1 ERU or connection per parcel.

-----------------------------	---------	----------

Note: The Ready to Serve charge may be discontinued upon receiving written request from the customer or for non-payment of the Ready to Serve charge. Termination of the charge will allow the Utility to remove the service connection. This disconnection or removal will allow the Utility to make that available service capacity to supply other connections on the water system.

After a commitment has been revoked for discontinued service, future service to the property will require a new application for service, payment of service connection charges and will be subject to the availability of service company capacity at such time as the future application for service in made
