

## Sunshine Disposal & Recycling

November 20, 2014

Steven V. King, Executive Director and Secretary  
Washington Utilities and Transportation Commission  
PO Box 47250  
Olympia, WA 98504-4720

Dear Mr. King:

Enclosed are proposed revisions to Tariff 5.1 of Ada-Lin Waste Systems, Inc. d/b/a Sunshine Disposal & Recycling (G-104).

The purpose of this filing is to adjust rates to reflect disposal fee changes in Spokane County. Attached are the notifications for the proposed changes.

The net impact of these changes will decrease revenue approximately \$3,400 or 3.2% annually. Customers will be notified of the rate change on their next regular billing.

This filing is submitted in accordance with WAC 480-70-262 as a rate reduction. We request waiver from the requirements of WAC 480-07-520 due to the fact that this rate change only covers changes in disposal fees.

If I can be of any further assistance, please contact me at 509-924-5678 x217 or 509-252-3500 (fax) or at [johnl@sunshinedisposal.com](mailto:johnl@sunshinedisposal.com).

Respectfully,

John Lloyd  
Chief Financial Officer
