Withdrawal request

I spoke with Mike, last week, and he helped me with our situation. We have been in Arizona since the end of December. We will winter here until apx the end of May. For insurance purposes we did not renew any of our permits.

Our mail is being forwarded to us and just last week we received your letter regarding the Form E. Based on us being out of operation and progressive cancelling the form E, in order to remove the liability please withdraw our application and refund the fee. When we get close to returning to Oregon we will reapply along with our other permits.

If you have any questions please call Dan at 503-396-1694 or myself at 503-396-2292.

I really appreciated Mike's time and help with this.

Sincerely,

Connie Howard
