Mr. Hare,

I was forwarded a copy of your Annual Regulatory Fee Report with a note stating "FMCSA has withdrawn permit as of 9/15/14". I'm not sure what this mean but it has nothing to do with your certificate you have with our agency.

If you would like to withdraw charter/excursion certificate CH-63061 that allows you to operate within the state of Washington, I will need you to fill out the attached form and send it back to me.

If you have any questions or concerns, let me know.

Sincerely,

Tina Leipski
