BACKGROUND

- 1 On April 23, 2015, ANPI Business, LLC (ANPI Business or Company) filed with the Washington Utilities and Transportation Commission (Commission) a petition for an extension of time to file its annual report for 2014 as required by [WAC 480-120-382](#). According to ANPI Business, it is unable to prepare the report due to year-end financial statements that will not be finalized until July 1, 2015. ANPI Business seeks an extension until July 1, 2015. The Company understands that the annual regulatory fee must be filed and paid on or before May 1, 2015.
- 2 Commission Staff reviewed the request and recommends granting ANPI Business’ request for exemption.

FINDINGS AND CONCLUSIONS

- 3 (1) The Washington Utilities and Transportation Commission is an agency of the State of Washington vested by statute with the authority to regulate public service companies, including competitively classified telecommunications companies. [RCW 80.01.040](#), [RCW 80.04](#) and [RCW 80.36](#).
- 4 (2) ANPI Business is a competitively classified telecommunications company and a public service company subject to Commission jurisdiction.

- 5 (3) ANPI Business is subject to [WAC 480-120-382](#), which requires competitively
classified telecommunications companies to file an annual report no later than
May 1 of each year.
- 6 (4) Under WAC [480-120-015](#), the Commission may grant an exemption from any
rule in WAC [480-120](#), if consistent with the public interest, the purposes
underlying regulation and applicable statutes. See also [WAC 480-07-110](#).
- 7 (5) This matter came before the Commission at its regularly scheduled meeting on
April 30, 2015.
- 8 (6) After review of the petition in Docket UT-150649 by ANPI Business filed on
April 23, 2015, and giving due consideration, the Commission finds that the
exemption is in the public interest and is consistent with the purposes underlying
the regulation and applicable statutes and should be granted.

O R D E R

THE COMMISSION ORDERS:

- 9 (1) The request by ANPI Business, LLC for an exemption from WAC 480-120-382

result in the Commission invoking [RCW 80.04.405](#), which allows the
Commission to assess penalties for violations of statute, rules and Commission
orders.
- 11 (3) The Commission retains jurisdiction over the subject matter and ANPI Business,
LLC to effectuate the provisions of this Order.

The Commissioners, having determined this Order to be consistent with the public interest, directed the Secretary to enter this Order.

DATED at Olympia, Washington, and effective April 30, 2015.
