RE: Tariff Submittal, for Yakima Waste Systems, Inc. G-89.

Dear Mr. King:

We respectfully request Commission approval to amend filed Tariff Number 11 to increase the Utility Tax from 23% to 33% in the City of Toppenish. The City of Toppenish provides service for the residential and commercial customers. Yakima Waste Systems, Inc. provides roll-off service to 12-customers. The 33% Utility Tax will be collected from customers as a separate line item on the billing.

If approved, by the Washington Utilities and Transportation Commission, the 33% Utility Tax will become effective June 1, 2015. The customers will receive notification of this change on the first billing reflecting the increase.

If you have any questions about this filing, please contact me at (360) 832-8749 or via email at irmgardw@wcnx.org.

Sincerely,

Irmgard R Wilcox
