Ms. Geuder,

Americatel remains an active company with the commission. The notice provided on December 12, 2014 was not followed up by a request to cancel the registration for Americatel. The company is required to complete an annual report for operations separately from Matrix. For assistance related to the registration and/or cancellation for Americatel please contact Virgil Santos at vsantos@utc.wa.gov or (360) 664-1280.

Please let me know if I can be of further assistance.

Thank you,

Amy

Good afternoon,

We received the attached penalty notice for Americatel Corporation UT-150796 for non-filing of the 2014 Annual Report.

I would like to verify this, as on 12-12-14, the notice of transferring to Matrix Telecom, Inc. was filed, and the revenues for Americatel were filed on the Matrix report. I believe this report should have covered the Americatel filing obligation for 2014.

Can you please review this and let me know?

Thank you,

Kimberly N. Geuder
