I submitted the necessary paperwork on 4/30/15 and received the response from the UTC system notifying it received my documents.

E-File submission details:

E-File ID: 2192

Docket No:

Company: IP DATA STREAM, LLC

Filing description: 170 Telecommunications Annual Report

On June 5, 2015 I received the PENALTY ASSEMENT letter stating I had not filed my return or had not submitted my fees. I called and spoke to Pam Callea which indicated she had sent an email on 5/1/2015 requesting a section to be filled out and the income/balance was missing. I have checked all boxes and spam folders, no such email existed. Pam resent the request and very shortly thereafter I responded with a copy of the original file (small adjustment on numbers) and the income/balance sheets that were originally attached to the file I uploaded.

I understand that it is possible that something happened on the upload and that the email Pam sent requesting the section (which was filled out) be filled out. Had I received her email the day after my submission I wouldn't be needing to spend additional time sending this letter and also using your time to read my case.

Please reverse my penalties since I was able to resend all necessary documents to Pam Callea shortly after receiving a copy of the request she had send on 5/1/15.

I would ask that in the future if there is an issue that a letter via mail or fax is sent letting us know if there is an issue.

Thankfully,

Torrie Hughes
