RCW 9A.72.020:

"Perjury in the first degree. (1) A person is guilty of perjury in the first degree if in any official proceeding he makes a materially false statement which he knows to be false under an oath required or authorized by law. (2) Knowledge of the materiality of the statement is not an element of this crime, and the actor's mistaken belief that his statement was not material is not a defense to a prosecution under this section. (3) Perjury in the first degree is a class B felony."

1	The form was filled out and payment made.						
2	A late penalaty was assessed and payment made.						
3	Apparently an email was sent to me which I did not receive.						
	WUTC said they sent it to cpearson@avline.net and my						
	email address is cpearson@avlinc.net. It looks like a typo for						
	the last letter of the email address and I did not receive any						
	notice of incompleteness.						
4	The violation was for mileage and in the all the years we have filed						
	we have always responded to the mileage question in the same way,						
	and have never had any questions raised or negative responses to it.						
	If this is no longer an acceptable response, then we will make changes						
	to accommodate the needed change.
