## NOTICE OF PENALTIES INCURRED AND DUE FOR VIOLATIONS OF LAWS AND RULES

PENALTY ASSESSMENT: D-151944  
PENALTY AMOUNT: \$2,500

Steve Ruhnke Construction, Inc.  
17066 Beaton Rd. SE, Ste. 190B  
Monroe, WA 98272-1002

The Washington Utilities and Transportation Commission (Commission) believes that you have violated Revised Code of Washington (RCW) 19.122.030(1) by failing to request a dig ticket prior to performing an excavation.

RCW 19.122.070(1) states, in part, that violation of any provision of the chapter is subject to a civil penalty of not more than one thousand dollars for an initial violation and not more than five thousand dollars for each subsequent violation within a three-year period.

The Commission reviewed findings and recommendations made by the Washington State Dig Law Safety Committee (Safety Committee) and hereby notifies you that it is assessing a penalty against you in the amount of \$2,500 on the following grounds:

On July 2, 2015, Steve Ruhnke Construction, Inc., (Ruhnke Construction) performed an excavation as part of a utility installation. Prior to beginning work, Ruhnke Construction failed to request a dig ticket from a one-number locator service. Ruhnke Construction filed a dig ticket for the excavation on July 6, 2015.

On July 6, 2015, the City of Lacey filed a complaint with the Safety Committee. The complainant alleged that Ruhnke Construction failed to request a dig ticket and caused damage to a step service line.

The Safety Committee found that Ruhnke Construction violated RCW 19.122.030(1) by failing to request a dig ticket prior to performing excavation. As this was Ruhnke Construction's second violation of RCW 19.122.030(1) within 12 months, the Safety Committee recommended that the Commission assess a \$2,500 penalty for this violation.

Pursuant to RCW 19.122.150(3), the Commission has considered the Safety Committee's determination and adopts its recommendation. The Commission believes this is a serious offense and agrees with the Safety Committee that this second violation of RCW 19.122.030(1) within 12 months warrants an increased penalty. Therefore, the Commission assesses a penalty of \$2,500 for the violations.

The information the Safety Committee provided to the Commission, if proved at a hearing and not rebutted or explained, is sufficient to support the penalty assessment.

Your penalty is due and payable now. If you believe the violations did not occur, you may deny committing the violation and contest the penalty assessment through evidence presented at a hearing or in writing. The Commission will grant a request for hearing only if material issues of law or fact concerning the violation require consideration of evidence and resolution in a hearing. Any contest of the penalty assessment must include a written statement of the reasons supporting that contest. Failure to provide such a statement will result in denial of the contest.

If there is a reason for the violation that you think should excuse you from the penalty, you may ask for mitigation (reduction) of this penalty through evidence presented at a hearing or in writing. The Commission will grant a request for hearing only if material issues of law or fact require consideration of evidence and resolution in a hearing. Any request for mitigation must include a written statement of the reasons supporting that request. Failure to provide such a statement will result in denial of the request.

If you properly present your request for a hearing and the Commission grants that request, the Commission will review the evidence supporting your dispute of the violation or application for mitigation in a Brief Adjudicative Proceeding before an administrative law judge. The administrative law judge will consider the evidence and will notify you of his or her decision.

**You must act within 15 days after receiving this notice** to do one of the following:

- Pay the amount due,
- Contest the occurrence of the violation, or
- Request mitigation to contest the amount of the penalty.

Please indicate your selection on the enclosed form and send it to the Washington Utilities and Transportation Commission, Post Office Box 47250, Olympia, Washington 98504-7250, **within FIFTEEN (15) days** after you receive this notice.

**If you do not act within 15 days**, the Commission may refer this matter to the Office of the Attorney General for collection. The Commission may then sue you to collect the penalty.

DATED at Olympia, Washington, and effective January 14, 2016.
