SCHEDULE NO. 58 Flood Lighting Service (Continued)

 6. 7. 	Removal, Relocation or Modification of Lighting Facilities: Lighting facilities will be removed, turned off, relocated or modified only after receipt of a letter signed by the Customer or its assignee who is in authority to order such action. Only the Company may remove, relocate or modify Company-owned lighting facilities. Modification includes changes in type of lighting fixture or changes in bracket length or mounting height due to Customer, city, county or state requests or requirements. Relocation includes relocation of supporting poles due to Customer, city, county or state request or requirement. In advance of any removal, relocation or modification, the Customer shall pay an amount equal to the estimated cost of such removal, relocation or modification. This estimated charge shall include the cost of removal of facilities that now serve lighting load only. All facilities installed or removed remain the sole property of the Company. The cost of removal, relocation or modification also includes any costs of traffic control or other associate costs. Charges for removal apply to lights that are removed (i.) due to Customer request or (ii.) because there is no longer a Customer to accept service. Where there is no longer a Customer to accept service there is no longer a Customer to accept service there is no longer a Customer are pole is removed and the customer had paid the full cost of installation of the pole up-front, the cost of removal shall be credited by the amount of salvage value and (i) receive any excess over cost or (ii) pay any deficiency. The salvage value shall be based on the remaining depreciable life on a straight line basis. Additional Removal Charges: In addition to the charge for the cost of the removal the following charge applies: If a light to be removed has been installed for less than eight (8) years, a charge equal to the total original estimated installed cost less (i) any up-front customer contribution toward the cost of salvageable items and (ii) estimated salvage value of the	(K) (M)

SCHEDULE NO. 58 Flood Lighting Service (Continued)

8. Lighting Trespass: For lights installed after Nov. 1, 1999, where light from a flood light crosses a property line and lights neighboring property, the Company will make modifications or remove the luminaire as needed upon request of the local government in order to comply with the local governmental body's ordinance. One such trip to make modification or removal will be made at no cost to the Customer, additional trips may be charged on a time and materials basis to the Customer or in absence of a local ordinance, the requesting party. Modifications to mitigate lighting trespass of lights installed at any time is limited to adjusting the angle of the luminaire and/or installation of a shield.

Section 5 - Tree Trimming: It shall be the responsibility of the Customer to provide tree trimming services in areas that are below the height of luminaires installed under this schedule except when luminaires are installed within the area of energized electrical wires that is restricted to qualified utility workers. The Company shall be responsible for tree trimming within this restricted area.

Section 6 - Line Extensions: The Company's primary or secondary distribution circuits will be extended by the Company for service under this schedule at the Customer's expense.

Section 7 - Third Party Damage: If lighting facilities experience malicious and/or recurring damage caused by actions of third parties the Company may remove such facilities or, alternatively, such facilities may remain in place upon payment by the Customer for such damage.

Section 8 - Government Authority: The manner and type of construction, maintenance or outdoor lighting standards shall be subject to applicable governmental authority or law, and any increase in costs above contemporary standard equipment costs resulting therefrom not reimbursed by an agency of the government or other person or entity shall be paid by the Customer except as provided in the "Lighting Trespass" paragraph above.

Section 9 - Adjustments: Rates in this schedule are subject to adjustment by such other schedules in this tariff as may apply.

Section 10 – General Rules And Provisions: Service under this schedule is subject to the General Rules and Provisions contained in this tariff.
