Re: Disposal Rate Increase, G-101

Dear Secretary:

This filing is submitted by: Waste Control, Inc. ("WCI"), G-101. Attached is Tariff No. 18 to be effective April 1, 2016.

This filing proposes a disposal fee only increase. This increase is necessary to offset increased disposal site fees. The rate increase is a direct pass-through from the County to increase disposal rates. If approved by the Commission, these rates would increase our revenues by approximately 0.44% (\$12,200) to cover this increased cost. Individual rates increase between .22 to .52%.

As required by Commission rules, a copy of this transmittal letter will be mailed to the County Councils and to the Mayors of all cities impacted by this filing. We will be mailing notices to all affected customers on or before February 29, 2016. We will file a copy of the customer notices with your office at the same time we make this filing.

My authority to file on behalf of Waste Control, Inc. is on file with the Commission.

If you have questions regarding this filing, please contact me or Joe Willis. Joe may be reached at Waste Control, Inc., PO Box 148, Kelso, WA 98626; phone (360) 425-4302 and email jwillis@wcrecycling.com. My telephone number is (360) 425-8000 and my email address is jdavis@boothdavis.com.
