Sheet No. 46.8

Dear Mr. King:

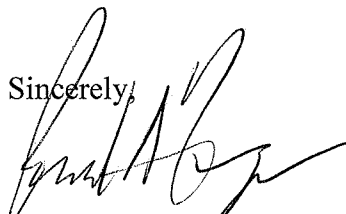

Attached you will find the above-referenced tariff sheets. The purpose of this filing is to remove certain special access services because they are archaic in an all fiber environment. The special access services involved are Voice Grade Service, Program Audio Service and Digital Data Service. There are no customers on the services.

Mr. Merten has authority to issue tariff sheets for The Toledo Telephone Co., Inc. The undersigned has authority to file said sheets on behalf of The Toledo Telephone Co., Inc.

Because there are no customers taking these services, no customer notice is required.

Thank you for your attention to this matter.

Sincerely,

RICHARD A. FINNIGAN
