NARRATIVE					

On 04/21/2016 at approximately 1803 hours, I was dispatched to the rail bridge at 221 W 1st Ave Spokane, WA for a DOA.

Dispatch notified that there was a male that appeared to be dead and thought to have been hit by a train, medics advised.

---	---------------------------------------	-------------------------------------

Upon arrival, I contacted fire crew Ladder 1 shift A:

LT Aaron Goldman
Corey Barker
Eric Hatton
Jason King

LT Goldman provided me with 1810 as the time of death. After taking LT Goldman's statement I put up police tape around the scene and started a crime scene log.

The crime scene log was taken over by SGT Storment and I went to Father Bach at approximately 1905 hours to check if their security cameras recorded the incident, no one was available for assistance. I also went to the inter modal train station at approximately 1908 hours to see if they would have footage of the incident. Again, no one was available for assistance.

(See other Officer's reports for additional information)

I CERTIFY (OR DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT.

NARRATIVE					

On 04/21/2016 at approx. 1801 hours I responded to 221 W. 1st on the report of a male on the train tracks possibly deceased.

Upon arrival I observed what appeared to be a white male laying just north of the third train track from the north, just above Browne St. The male appeared deceased. His body was still warm to the touch and there was no lividity. He appeared to have a large section of his left shoulder missing and was not breathing or moving.

Spokane Ladder #1, from Station arrived and pronounced the male deceased. See Officer E. Walker's narrative for further.

I observed the deceased males wallet was still in his left pants pocket. I removed the wallet and located an Idaho Driver's License. He was identified as Gary L. Drake DOB 06/24/1959.

I then contacted the complainant who works for BNSF. He stated the male was on the tracks when he arrived. The last train to come through on the tracks were two locomotives heading west bound. He then stated they did not report anything suspicious on the tracks.

I observed what appeared to be flesh and bone fragments on the tracks and around the tracks in a west direction away from the body. It appeared as though Gary had been struck by the train and some of his remains were carried in the west direction by the train.

DISPATCH TIME	ARRIVED TIME	CLEARED TIME	REPORT DATE 04/21/2016	REPORT TIME 20:25
PRIMARY CHARGE				UCR/NIBRS CODE
NARRATIVE				

On 042116, Officer Walker and I responded to 221 W. 1st (Intermodal train station) for DOA call. Dispatch advised that David called and said that a male appears dead from being hit by a train on the tracks above Browne and Sprague.

Upon arrival, I observed a white male, laying in between several lanes of railroad tracks. His head was closest to the track facing to the southwest and he was laying on his right side. It appeared that his left shoulder was badly injured with a portion of it ripped off and laying inside the same railroad track. There was fresh body parts, blood and bones leading to the west on the track, on the outside of the track and inside the track. There was also a white canister laying inside the same track that the male was laying next to.

I asked dispatch for medics to respond to check for any signs of life. I located a jacket that was directly to the north of the male. It was on the sidewalk next to the railroad tracks and appeared to have been removed and thrown on the ground. It checked the pockets of the jacket and located a book, paper towels, cigar and a Pepsi bottle. There was no identification in the jacket and no note was located.

I assisted in securing the scene with Officer Walker and Officer Quarles. Detective Turman arrived on scene and continued the investigation.

Officer Walker and I checked for cameras at Father Bach that is northeast of the House of Charity. They were closed for the day. We then checked the intermodal cameras and they were also closed for the day.

See other Officer's reports for further.

I CERTIFY (OR DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT.

Detective C. Turman #407

Approved by: Sgt. J. Fertakis #110

On April 21, 2016 at about 1815 hours I received a call at home from Sgt. Storment reference a death investigation at the Intermodal Depot located at 221 W. 1st. He requested I respond.

I arrived on scene at about 1840 hours. Sgt. Storment, Sgt. Bartlett, Cpl. Blessing, Officers Quarles, Huett, and Walker were on scene as well as several members of BNSF. A large area around the body had been secured with crime scene tape. Cpl. Blessing had taken photographs from outside of the scene.

I was told that a call was placed about a body found on the railroad tracks to the east of the Intermodal Depot. Officers responded as well as fire. Fire pronounced the male deceased at 1813 hours. Officer Quarles had removed the male's wallet from his back left pocket and located identification in the name of Gary Drake. He then placed the wallet back in the deceased's pocket. It appeared the male had been hit by a train that was traveling from the east to the west. There was clothing and miscellaneous items located to the north of the body on the sidewalk that possibly belonged to the victim. If so they had been placed there prior to him being struck by the train.

I entered the crime scene at 1848 hours and took several photographs. There were four sets of tracks that run east and west. The deceased was lying just to the north of the second set of tracks from the south to north. He was lying on his right side. He was dressed in blue jeans with a black belt, a black sweatshirt, and brown boots. He had an obvious injury to his left shoulder. There was body tissue and bone to the west of the deceased but nothing to the east. There was spatter on the tracks that appeared also to go from east to west. There was also a large portion of tissue and muscle to the west of the deceased right in the middle of the tracks. This appeared to be from the shoulder injury.

Several feet to the west well beyond any tissue or bone there was a small can of butane in the middle of the tracks. It was covered in a dirt film and appeared that it may have been at the location for quite some time. I did collect it as possible evidence.

I then placed a call to Jim Uttke with the Spokane County Medical Examiner's Office and requested his response.

I photographed the clothing and miscellaneous items. There were two coats, a book, and a soda bottle. The items were collected as possible evidence.

I met with BNSF employees Allen Dryer and Joshua Gore. The train that was traveling west had passed through the area at 1745 hours. The train was now in Marshall Washington. BNSF employees had been dispatched to inspect the train and see if the train was equipped with video surveillance cameras.

At 1922 hours Jim Uttke arrived on scene as well as Lilac City Transport. Uttke first collected all the bone and tissue fragments. We then examined the body and discovered that the victim's left arm was missing. However his left hand remained. He had what appeared to be grease transfer above his left eye and below his left ear. His clothing was absent any obvious grease or dirt transfer. The only items on his person were the above mentioned wallet that contained his Idaho identification, social security card, and miscellaneous items.

At 2001 hours the body was removed from the scene by Lilac City Transport and the scene was cleared.

On April 22, 2016 I spoke with and emailed Joshua Gore requesting any video evidence. Gore indicated that the video on the front of the train didn't capture anyone on or near the tracks but the video on the back of the train captured the victim who had apparently been struck.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct. (9A.72.085)

I received a copy of the autopsy report from the medical examiner's office. The report indicated that the cause of death was several severe injuries to include fractures, dislocations, and an amputation. The manner of death was undetermined. As stated in previous reports the victim was struck by a train and it appears he acted alone.

You are being given this report because you are named in the statute below as being authorized to have a copy of the autopsy or postmortem report, either of which may include other reports and records. These are highly confidential documents! You may not give or show any of these documents to anyone except as authorized by law.

RCW 68.50.105 Autopsies, postmortems - Reports and records confidential - Exceptions. (Effective January 1, 2014.) (1) Reports and records of autopsies or postmortems shall be confidential, except that the following persons may examine and obtain copies of any such report or record: The personal representative of the decedent as defined in RCW11.02.005, any family member, the attending physician or advanced registered nurse practitioner, the prosecuting attorney or law enforcement agencies having jurisdiction, public health officials, the department of labor and industries in cases in which it has an interest under RCW 68.50.103, or the secretary of the department of social and health services or his or her designee in cases being reviewed under RCW74.13.640. (2)(a) Notwithstanding the restrictions contained in this section regarding the dissemination of records and reports of autopsies or postmortems, nor the exemptions referenced under RCW42.56.240(1), nothing in this chapter prohibits a coroner, medical examiner, or his or her designee, from publicly discussing his or her findings as to any death subject to the jurisdiction of his or her office where actions of a law enforcement officer or corrections officer have been determined to be a proximate cause of the death, except as provided in (b) of this subsection. (b) A coroner, medical examiner, or his or her designee may not publicly discuss his or her findings outside of formal court or inquest proceedings if there is a pending or active criminal or civil action, concerning a death that has commenced prior to January 1, 2014. (3) The coroner, the medical examiner, or the attending physician shall, upon request, meet with the family of the decedent to discuss the findings of the autopsy or postmortem. For purposes of this selection, the term "family" means the surviving spouse, state registered domestic partner, or any child, parent, grandparent, grandchild, brother, or sister of the decedent, or any person who was guardian of the decedent at the time of death. Attention: Dr Sally S Aiken
Agency: Spokane Co Medical Examiner
Address: **4b**

Tox Case #: ST-16-04782 Case Type: Death Investigation Report Date: 5/5/2016

Agency Case #: 16-1393 Subject Name: Gary L. Drake

Evidence: The following evidence was submitted to the Laboratory by Sally Aiken of the Spokane Co Medical Examiner on 4/28/2016 via USPS-1st Class Mail:
(1) ST-16-04782-A: VGray, Blood - Peripheral
(2) ST-16-04782-B: VGray, Blood - Central
(3) ST-16-04782-C: VRed, Urine

Volatile Analysis Results:

ST-16-04782-A: Blood - Peripheral

ST-16-04782-A was tested by Headspace - Gas Chromatography for the presence of acetone, ethanol, isopropanol, and methanol on 05/02/2016. The following result was obtained:

None Detected

Drug Analysis Results:

ST-16-04782-C: Urine

ST-16-04782-C was tested by Enzyme Multiplied Immunoassay Technique (EMIT) for the presence of amphetamines, barbiturates, benzodiazepines, cannabinoids, cocaine metabolite, methadone, opiates, phencyclidine (PCP), and tricyclic antidepressants on 05/02/2016. The following result(s) was obtained:

None Detected

ST-16-04782-C was tested by Semi-Quantitative Visual Reagent Strip, Bayer Ketodiasix for the presence of glucose and ketones on 05/02/2016. The following result(s) was obtained:

None Detected

ST-16-04782-C was tested by Spectrophotometry for the presence of acetaminophen and salicylates on 05/02/2016. The following result(s) was obtained:

None Detected

COMMENTS

All testing was performed by the Forensic Scientist listed below except as otherwise indicated. The Forensic Scientist has technically reviewed all relevant pages of testing documentation in the case record.

RE: 16-141541 has been requested by public disclosure.

In order to ensure that the Spokane Police Department is fully in compliance with RCW 42.56.010 (4), please print this document, complete it, and deliver it to the Records Division within 5 days of receiving this notice. You will have opportunity to review the disclosure request before it is completed.

I have reviewed my case file and to the best of my knowledge all documents, exhibits, and files in any format that I have gathered have been submitted to Police Records or to the Property Unit or to the Spokane County Forensics Unit. These items may include:

- Handwriting, typewriting, printing, photostating, photographing.
- Every means of recording any form of communication or representation.
- Letters, words, pictures, sounds, or symbols.
- Papers, maps, magnetic or paper tapes.
- Photographic films and prints, motion picture, film and video recordings.
- Magnetic or punched cards, discs, drums, diskettes.
- Sound recordings, other documents including existing data compilations from which information may be obtained or translated.

I am attaching records that are part of the file, but were not previously submitted to the Records imaging system (or Property or Forensics). If you do not believe records should be disclosed, please explain why. We must disclose we have records, but if they meet criteria they can be withheld.

If you object to the denial, initial denial or partial denial of this records request, you may petition in writing (including e-mail) to Mardee Ellis of the Police Records Unit for a review of that decision. The petition shall include a copy of or reasonably identify the written statement by the records specialist from the Police Records Unit denying the request. The Police Records Unit shall promptly provide the petition and any other relevant information to the City Administrator to conduct the review. The City Administrator will immediately consider the petition and either affirm or reverse the denial within two business days following the Police Record's Unit's receipt of the petition, or within such other time as the Police Records Unit and the requestor mutually agree to.
