RE: Cascade Natural Gas Corporation 2016 Integrated Resource Plan
(Docket **UG-160453**)

Dear Mr. King:

Subsequent to recent discussions with Commission Staff in regards to scheduling conflicts, Cascade Natural Gas Corporation respectfully requests a change of date for the 2nd, 3rd, and 5th Integrated Resource Plan (IRP) Technical Advisory Group meetings. We have also corrected the filing date to reflect the correct date as stated in the WUTC's April 14, 2016 letter to Cascade regarding the 2014 IRP and Work Plan for 2016 IRP.

Attached is the proposed work plan and schedule based on the requested date changes being granted.

If there are any questions regarding this matter, please contact Brian Robertson at (509) 734-4546 or myself at (509) 734-4589. Alternatively, we may be reached at brian.robertson@cngc.com and mark.sellers-vaughn@cngc.com.

Sincerely,
CASCADE NATURAL GAS CORPORATION
