Advice No. 3353

Mr. Steven King, Executive Director and Secretary  
Washington Utilities and Transportation Commission  
P. O. Box 47250  
1300 S. Evergreen Park Drive SW  
Olympia, WA 98504-7250

Dear Mr. King:

Frontier Communications Northwest Inc. submits Advice No. 3353, a tariff filing in the General and Local Exchange Tariff, WN U-17, Section 2, 3 and 6.

The purpose of this filing is to standardize the naming and descriptions of nonrecurring charges (NRC), increase the nonrecurring Service Charge rates for Residential and Business customers and introduce an Access Line Work Charge.

Frontier requires revenue from regulated services such as nonrecurring service charges to maintain network equipment, facilities and other increasing costs.

The annual NRC increase is proposed as follows: approximately 14,868 Residential customers \$49,653.00, 13.8%; approximately 1,068 Business customers \$3,717.00, 8.8% affected by these changes.

Attached are the proposed tariff sheets containing the increased rates and the supporting projected annual NRC revenue analysis for those changes.

Customers are being notified 30 days prior to the rate increases. A copy of the customer notice is included in this filing.

If approved by the Commission, the rates will be effective October 16, 2016.

Pursuant to WAC 480-80-103(4) and WAC 480-80-104(8), I certify that I am authorized to make this filing on behalf of the company. If you have questions regarding this filing, please contact Cathy Dahlquist at (425) 261-6380.

Sincerely,

A handwritten signature in black ink that reads "Cathy Dahlquist".
