Re: Iliad Water Company, LLC – First Revised Sheet No. S-1 Cancelling Original
Sheet No. S-1

Dear Mr. King:

Attached you will find the above-referenced tariff filing. The purpose of this filing is to revise Schedule 1 of the company's tariff which lists the service areas that the company serves.

The company is adding the Sunwood Graham system because it has become jurisdictional. Northwest water system is added to the tariff because the company has been operating that system for sometime now and it appears that the prior owner of the system has abandoned the system. Other changes are made for clarification purposes.

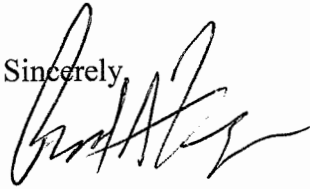

Pursuant to WAC 480-80-123(3)(b), statutory notice is not required for this filing. Therefore the filing is being made on three days notice. The filing does not affect any rates or terms and conditions of service. In addition, the filing adds services not previously contained within the tariff for service to Northwest and Sunwood Graham water systems.

Mr. Dorland has the authority to issue tariffs on behalf of the company and the undersigned has authority to file said sheets on behalf of the company.
