

Sunshine Disposal & Recycling

October 19, 2016

Steven V. King, Executive Director and Secretary
Washington Utilities and Transportation Commission

Olympia, WA 98504-4720

Dear Mr. King:

Enclosed are proposed revisions to Tariff 8 of Torre Refuse & Recycling d/b/a Sunshine Disposal & Recycling (G-260).

The purpose of this filing is to adjust rates to reflect disposal fee changes in Ferry and Stevens County. Attached are the notifications for the proposed changes. This filing also adds language Item 100 to reinforce the fact that Items 240 and 255 may apply to residential customers. Lastly, this filing adjusts Item 18 to change residential customers to 3 month billings.

The net impact of these changes will increase revenue less than \$50 (less than .1% annually). Customers will be notified of the rate change on their next regular billing.

We request waiver from the requirements of WAC 480-07-520 due to the fact that this request only covers changes in disposal fees and other non-revenue related items.

If I can be of any further assistance, please contact me at 509-924-5678 x217 or 509-252-3500 (fax) or at johnl@sunshinedisposal.com.

Respectfully,

John Lloyd
Chief Financial Officer
