RE: Tariff Submittal, Tariff Number 2, Waste Connections of Washington, Inc., Clark County,
Certificate Number G-253

Dear Mr. King:

Our company has been notified that the tipping fee in Clark County will increase from \$78.05 to \$78.76, a (.91%) increase, for commercial drop box transactions effective January 1, 2017. This will increase revenue and expense for drop box service by approximately \$14,000 (.91%) for a 12-month period. There are approximately 280 customers affected by this change. The last general rate increase approved by the Commission was effective October 1, 2008.

Attached are revised tariff pages and supporting documentation containing the revised rates. If these rates are approved by the Washington Utilities and Transportation Commission they will become effective June 1, 2016. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of the change on the first billing reflecting the revision to rates.

We also request that the Commission, on its own Motion under WAC 480-07-370 (b), allow this disposal fee filing as an exception to the general rate case workpaper rule at WAC 480-07-520.

If you have any questions regarding this filing, please contact me at (360) 695-4923 or via email at heatherg@wcnx.org.

Sincerely,

Heather Garland
