Re: Advice No. 2016-41 – Electric Filing – Filed Electronically

Dear Mr. King:

Pursuant to RCW 80.28.060 and Chapter 480-80 WAC, please find enclosed for filing the following proposed revision to the WN U-60, Tariff G for electric service of Puget Sound Energy (“PSE”).

8th Revision of Sheet No. 137-A - Schedule No. 137-Temporary Customer Charge or Credit (Continued)

The purpose of this filing is to correct a scrivener’s error in the Renewable Energy Credit for Schedule 49 in Schedule 137. The current monthly credit was inadvertently not zeroed-out. It is now corrected with this filing. The Schedule 49 monthly rate has been correctly implemented consistent with the intention of the original filing and associated work papers, despite the typographical error on the tariff sheet.

The tariff sheet described herein reflects an issue date of December 30, 2016, and an effective date of January 30, 2017. Posting of the proposed tariff change for public inspection and review, as required by law and the Commission’s rules and regulations, is being completed immediately prior to or coincident with the date of this transmittal letter, through web, telephone and mail access in accordance with WAC 480-100-193(1). This filing does not represent an increase in recurring charges or restrictions in access to services, therefore notice will be provided in accordance with the provisions of WAC 480-100-195(3).

Please contact Julie Waltari (425) 456-2945 for additional information about this filing. If you have any other questions please contact me at (425) 456-2110.

Sincerely,
